# EECSS'19

5<sup>th</sup> World Congress on  
Electrical Engineering  
and Computer Systems  
and Science

August 21 - 23, 2019  
Lisbon, Portugal

Final Extended Paper Submission Deadline: MAY 24, 2019  
Final Extended Early Bird Registration: JUNE 18, 2019

EECSS'19 is composed of 5 conferences, while each conference consists of an individual and separate theme, they share considerable overlap, which prompted the organization of this congress.

The goal of this undertaking is to bring together experts in each of the specialized fields, and at the same time allow for cross pollinations and sharing of ideas from the other closely related research areas. Interested authors, researchers, and industrial experts are invited to register for the conference that best resonates with their technical background. At the same time, attendees are permitted, and even encouraged, to attend talks from co-located conferences.
